With reference to your endorsement No.F.299-35/R. O.I., dated the 13th March, 1935, on letter C.No.930-I.T./34, dated the 1st March, 1935, from the Central Board of Revenue, regarding the establishment required during 1935-36 for the assessment of lower incomes, I have the honour to state that in the year 1934-35, the staff employed consisted of two junior clerks and an Accountant, who in addition to his own duties, was empowered to assess lower incomes for which a special pay of Rs.35/- was sanctioned. The experience of last year has however shown that the work of the Accountant suffers very materially if part of his time is to be devoted to assessing work. I invite a reference to Mr. Cooke's letter dated the 22nd December, 1932, in which he pointed out that the work of the Station relating to higher incomes alone requires the services of at least two Accountants, and to his letter dated the 8th December, 1933, in which he stated that a third Accountant might be necessary. I am in entire agreement with Mr. Cooke's views, and suggest as the most economical arrangement the appointment of a senior clerk on Rs.60-4-80 (old scale) or Rs.55-5/2-70 (new scale) in place of a part

part time Income-tax Officer for lower incomes, in addition to two junior clerks on Rs.30-3/2-45-2/2-55 as at present. The number of lower income cases in 1934-35 were no less than 1,300. These require a full time Accountant to attend to them alone and an Accountant cannot assess all these cases in addition to his own work. I propose therefore to transfer the assessment of lower incomes to the Income-tax Officer, and make use of a senior clerk to help the Accountants in checking lower income cases.

SIR,

I have the honour to state that Mr. Kothawala has been relieved this morning, and asked to report himself to the Income-tax Officer, Surat, as desired by the Commissioner of Income-tax, Bombay in his letter No.Est.III-1770/34, dated 19th March 1935, communicated to me with your endorsement No.F.641-34/R.O.I dated 27th/28th March 1935.

S. N. 35 + 36
Corr: Pages 44+45
(C)

2. In his place, we have to appoint a Second Accountant. We took Mr. Kothawala from Bombay, as we wanted a man who was acquainted with Marwarai and Gujrathi languages. But unless we can have three Accountants, in which case we can recruit one for doing Marwadi and Gujrathi accounts alone - there is a far greater need for a Second Accountant also who knows the local vernaculars. The tax paid by Marwadi assessees is but a small proportion of our income-tax revenue as shown below:

	Income-tax from Marwadi cases	Total Income-tax (excluding Surcharge)
1931-32 ...	18,120 ...	3,66,974
1932-33 ...	27334 ...	4,93,215
1933-34 ...	20,248	4,85,171
1934-35 ...	19,130 ...	4,78,510

Their accounts, which are purely money-lender's accounts, are also simple and do not necessarily require a knowledge of their language. These assessees know Tamil or Telugu and

11

Hindustani, and it is therefore comparitively easy to question them and verify their returns. There is therefore no fear that the tax recovered from Marwadis would fall for want of an -- Accountant who knows their language. On the other hand, quite a large number of cases, which must yield a substantial income, have to be left unchecked as one Accountant knowing the local vernaculars cannot cope with all the work that has to be done.

After careful consideration, I suggest that we appoint as Second Accountant one who possesses a knowledge of local -- vernaculars× although it would be an additional qualification if he knows Marwadi also.

× Tamil, Telugu, Kanarese, Hindustani

I think also that it is desirable from every point of view that we should select the Accountant ourselves, and not leave the choice to the Commissioner of Madras or Bombay. The men they select are not always suitable, and it is better that the Accountant should be entirely under our control. I enclose, therefore, for your approval, a draft notification, which I wish to have published in the Residency Gazette (Orders?) and the Local and Madras Press, inviting applications from qualified candidates for the post of Second Accountant.

Sir,

Sir,

I request that I may be offered a suitable appointment in the Income Tax or any other Department under you.

As regards my qualifications, I beg to state that, I am a Bachelor of Commerce with Accountancy and Auditing as my special subjects. I know to read and write Kanarese and Telugu, and I can converse in Hindustani and Tamil.

I have varied experience of audit and accounts as I have worked for nearly five years in the Local Fund Audit Department of the Madras Government, and for over four years in the Railway Clearing Accounts Office. I have also done Secretariat work in the Railway Board for about two years.

Now, I am holding a permanent post in the Railway Clearing Accounts Office on Rs.120/- per month.

Thanking you very much for the favour,

I beg to remain,

The Secretary to the Hon'ble the
Resident in Mysore and Commissioner
of Income-tax, Bangalore.

Subject:— Regarding appointment of an Income-tax Inspector.

-:0:-

SIR,

(B) I have the honour to invite a reference to paras 4 and 5 of appendix I to Mr. Boag's Report on the finances of the Station, which deal with the establishment and work of the Income-tax Department.

— do —: In paragraph 4, Mr. Boag accepted the recommendation of the Commissioner of Madras as to the staff required and advised that the appointment of an Inspector might be -- deferred until it was ascertained whether the work was too much for the Income-tax Officer without assistance. In paragraph 5, he said that if the Income-tax Officer was given work other than income-tax work he would certainly require an Inspector.

From the copies of the statement of work sent to the Commissioner of Madras and the Commissioner's reply which are enclosed herewith, it will be noticed that the recommendations were based on income-tax work relating to 1,500 cases and to a tax of Rs.1,57,000/-.

The results of the past years show that there has been a great and permanent rise in the volume of work. The -- income-tax revenue in the years 1932-33, 1933-34, 1934-35

was

15

was, respectively 5,85,752/- 5,86,259/- 570000/- and the number of assessees on the file now is 2,753.

I consider therefore that we ought to appoint an -- "Inspector", i.e., one who could assist the Income-tax Officer in his enquiry work. The pay allowed to 2 Inspectors in 1925 was 125-10-175/- plus 25/- and 100-5-125 plus 5/-. The Income-tax Officer suggests that it is sufficient as well as desirable that, for the present, a Personal Clerk on Rs.60-4-80 is appointed to work under the direct orders of the Income-tax Officer instead of an Inspector on a higher rate of pay. I am convinced that this slight additional expenditure will be amply justified by the more efficient working of the Income-tax Department and the consequent improvement in our income-tax revenue, I would request therefore that the Commissioner sanction the following additional staff with effect from 1st April 1935 deferring the question of appointing an Inspector for consideration at the close of the year 1935-36:

S.N.10 (R)
F. 16A/25

One Personal Clerk Rs.60-4-80
One peon Rs.15/-

The strength of the permanent clerical staff and peons of the office will then compare as shown below:

Mr. Boag's proposal	Present staff	As proposed
1 Head clerk	1 Head clerk	1 Head clerk
2 Clerks 1 Stenographer 1 Typist	5 Clerks	6 Clerks
4 Peons	4 Peons	5 Peons

-:0:-

The question of the amount of staff required for Income-tax work here is engaging my attention. I wonder if your Department could kindly give me a little assistance in the way of facts and figures which would enable me to work out an appropriate scale.

The figures in the annexed statement will give you a general idea of the amount of work to be done. On the whole it would resemble that in Madras Town, on a much smaller scale, rather than that in the mofussil. I presume that since the Income-tax Reforms of 1918 were introduced you have arrived at something in the nature of a standard scale of establishment from which I could deduce the number of -- Assessing Officers, Inspectors, Accountants and Clerks required for the work here.

Would you pass this letter on to the officer of your Department who would be in the best position to give me the information required. I should be grateful for an early reply.

My dear Russell,

Establishment - Income-tax Department - Civil and Military Station, Bangalore - Your D.O.No.4890/24 dated 9-1-1925.

-:0:-

From the figures supplied by you, it is quite clear that a staff of one assessing officer, one accountant, one head clerk, one -- stenographer, 2 routine clerks and one typist and 4 peons is ample. Our experience has been that one officer with 5 clerks can manage about 1000 cases. I have proposed one accountant in addition for you as you seem to have a large proportion of accounts to be examined. The pay of the accountant would be Rs.150-250. I do not think that you need any Inspector but he might be added if the assessing officer finds he cannot cope with the local enquiries himself.

Additional staff for the Income-tax Office, Civil and Military Station, Bangalore.

.....

SIR,

I am directed to say that in 1925, when the revision of the Income-tax Office was sanctioned, the posts of two Inspectors were abolished and, on the recommendation of Mr.G.T. Boag, I.C.S., who was appointed to examine the finances of the Civil and Military Station of Bangalore, the following appointments were sanctioned:-

S.N.10
F.16A/25

1 Accountant
1 Head Clerk
2 routine clerks
1 stenographer
1 typist.

Mr. Boag advised that the appointment of an Inspector might be deferred until it was ascertained whether the work was too much for the Income-tax Officer to do without assistance. His recommendations were based on the comparatively small amount of income-tax work which had to be done at that time, namely 1500 cases, involving a tax of only Rs.1,57,000/-.

Para 4 of Appendix I to Mr.Boag's Report.

2. The results of the past years show that there has been a great and permanent rise in the volume of work. The income-tax revenue in the years 1932-33, 1933-34, and 1934-35 was Rs.5,35,752/- Rs.5,86,259/- and Rs.5,70,000/-; and the number of assessees now on the file is 2753.

3. There would be justification, therefore, for the appointment

of

24

of an Inspector to assist the Income-tax Officer in his enquiry work. The pay of the two Inspectors in 1925 was Rs.125-10-175 plus Rs.25/-, and Rs.100-5-125 plus Rs.5/-. The Income-tax Officer has suggested, however, that in place of an Inspector on a higher scale of pay, it would suffice for the present to appoint a Personal clerk on the scale of Rs.60-4-80 to work under the direct orders of the Income-tax Officer. I am convinced that this slight additional expenditure is necessary and will be amply justified by the more efficient working of the Income-tax Department and the consequent improvement in income-tax revenue. I would therefore request that sanction may kindly be accorded at a very early date to the entertainment of the following additional staff, the question of appointing an Inspector being deferred for consideration at the close of the year 1935-36:-

One Personal Clerk	Rs.60-4-80
One peon	Rs.15/-

4. The effect of the change will be as shown below:-

Provision has not been made in the budget for 1935-36 for the extra expenditure on account of additional staff. An additional grant of Rs.750/- may therefore kindly be sanctioned under the following head:-

With reference to your endorsement No.F.299-35/R.O.I dated the 27th May, 1935, I have the honour to state that there is no objection to the proposals of the Director, Railway Clearing Accounts Office:, Goods branch, Delhi, as regards Provident Fund subscriptions, Bonus and gratuity and leave salary, being accepted.

As regards the question whether the post of Income-tax Accountant is likely to be made permanent, and if so, whether Mr. Shastry is likely to be absorbed permanently in the Income-tax office, it seems premature to discuss it in view of the impending "Retrocession". It is -- desirable in any case that there should be a period of probation.

SIR,

S.N.37 Cor: pages 49-50

I have the honour to invite a reference to letter D.Dis.No.389/I.T.35, dated the 18th June, 1935, from the Government of India, Finance Department (Central Revenues), forwarded with your endorsement No.F.299-35/R.O.I., dated the 25th June, 1935, and to request that sanction to the continuance of the personal clerk and an additional peon may kindly be obtained for another year, i.e., upto the end of February 1937. The necessary provision has been made in the budget for 1936-37.

S.N.38 Cor: page 51

As the sanction was received late in the year, the personal clerk has worked only from the beginning of July and it is rather early to say whether it would be necessary to replace this post by that of an Inspector on a higher rate of pay.

I may add that the actual collection during the year 1934-35 amounted to Rs.5,73,047 against the estimated amount of Rs.5,70,000 reported in my letter No.I.T.Gl.1686 dated the 25th March 1935. During the current year as well as during 1936-37, the collections are expected

The necessary provision has been made in the budget for 1936-37.

As the Personal clerk has worked only from the beginning of July 1935, it is too early yet to say whether it is likely to be necessary to replace this post by that of an Inspector on a higher rate of pay.

The actual collection during the year 1934-35 amounted to Rs.5,73,047/-, as against the estimated amount of Rs.5,70,000/- reported in my letter No.F.299/35/R.O.I, dated the 25th April 1935.
